Admission Procedure of the International Department of the GSV.

The admission procedure (22nd April 2014) of the International Department of the GSV applies to the registration of pupils of the International Department GSV. The procedure can be downloaded from the website. If a child is registered Parents/Guardians will be asked to join the Groningse Schoolvereniging Association as members. For this membership the school fee regulation is applicable. The school fee will be asked of you from the first day your child starts school. All registrations will be processed in the order that they come in. If a maximum number of pupils in a class is reached, pupils will only be placed in consultation with the teacher in question and in observance of the needs of the pupil and available school resources.

Definite placement depends on the results of the admission procedure. A definite withdrawal of registration should be sent in writing.
